ispirazione sul tema sport. A  
 portare la partita è Datch  
 Gym: in equilibrio tra active life  
 e fashion, fitness e soprattutto  
 glam. Autentico, dinamico  
 e bello, questo marchio  
 conferma l'essere sportivo in una  
 stile libero e informale, che non  
 rinuncia mai di lasciare lo suo  
 ispirazione alternativa; di dichiarare  
 il suo stile fortemente trendy e  
 casualissimo.

Inspired on the theme of sport, the  
 range is dominated by Datch Gym, a  
 perfect balance of active life, fashion,  
 fitness and glam. Authentic,  
 dynamic and dazzling, this brand  
 confirms its style of sport into a free  
 and informal style, that never loses  
 to leave its own unique mark, and to  
 maintain its powerful, trendy and not  
 casual DNA.
